PERIODICI IN VERSIONE ONLINE

La casa editrice fornisce i propri periodici in duplice formato: fascicoli in cartaceo e relativa versione on-line, attivata mediante la comunicazione dell'indirizzo IP statico dell'abbonato (riservati alle biblioteche) o mediante password fornita dall'Editore.

Procedura

Una sottoscrizione di abbonamento, corrisponde a una licenza che include l'attivazione della versione on-line della rivista a un indirizzo IP (o IP range *.**) o la comunicazione di una password.

ON-LINE VERSION OF PERIODICALS

The Publishing house offers the periodicals in a dual format: printed issues and the relative on-line versions which will be activated once the subscribers provide us with their static IP address (for libraries) or with a password provided by the publisher.

Procedure

Every subscription corresponds to one licence providing access to the online version of the chosen periodical for one IP (or IP range *.**) and one password.
